College

# Centre for Behavioural Studies

## December 2021 Newsletter

### Welcome

The Centre for Behavioural Studies (CBS) newsletter is distributed to staff and students of the Behavioural Science Programs at St. Lawrence College. Inside, you will find information about current and upcoming projects and events, ways for staff and students to get involved at CBS, and other information about the ever-developing fields of behavioural science and psychology.

### Behavioural Psychology (BPSYC) Students: Where are They Now?

Within one week of posting a survey to SLC BPSYC Connect (Facebook), we received 61 responses from students and alumni. The full report is available upon request, but here are some points of interest:

- 90% of respondents have pursued or plan to pursue further education following graduation from the BPSYC program.
- 98% of graduates are currently employed in the field.
- BPSYC students and grads are interested and seeking further learning and training opportunities.

## Faculty Corner

- ◇ Please complete the [Staff and Faculty Request for Services & Space](#) online form to get involved at CBS.
- ◇ Are you working on research or a project you would like to feature in a future issue of the CBS Newsletter? Let us know!

## Upcoming External Events

Tuesday, Dec. 7, 2021, 6:00 PM

### [Nudge: The Final Edition](#)
